

**Type II Hematology Tutorial: Diagnostic Work-Up of Hematological Malignancies
LYMPHOID MALIGNANCIES – Recent progress in Diagnosis and treatment**

Chairs: A Berrebi (Tel Aviv, Israel), R Foa (Roma, Italy), S. McCann (Ireland, Dublin), T Robak (Lodz, Poland), G Zini (Roma, Italy)

Day 1, Friday, November 16, 2012

08:00 -9:00	Registration	
09:00-09:15	Welcome	Tadeusz Robak
09:15-10:00	Current classifications of lymphoid malignancies	Gina Zini, Roma
10:00 – 10:30	Tutored clinical case & question time	Gina Zini
10:30 – 10:45	<i>Coffee break</i>	
10:45 – 11:30	Indolent B-cell lymphomas – current standards in diagnosis and treatment	Ofer Shpilberg, Petah-Tikva
11:30-12:00	Tutored clinical case & question time	Ofer Shpilberg
12:00-13:00	First self-evaluation session and discussion	Gina Zini & Ofer Shpilberg
13:00-14:00	<i>Lunch</i>	
14:00-14:45	Hairy cell leukemia and prolymphocytic leukemia – new achievements in biology and management	Estella Matutes, London
14:45 – 15:00	Tutored clinical case & question time	Estella Matutes
15:00 – 15:45	Extranodal types of NHL	Alain Berrebi
15:45 – 16:00	<i>Coffee break</i>	
16:00 – 16:30	Tutored clinical case & question time	Alain Berrebi
16:30 – 17:30	Second self-evaluation session and discussion	Estella Matutes & Alain Berrebi

Day 2, Saturday, November 17, 2012

08:30 - 09:15	Acute Lymphoblastic leukemia in Adults – molecular biology, minimal residual disease and current therapy	Robin Foa, Roma
09:15 –09:45	Tutored clinical case & question time	Robin Foa
09:45-10:30	Multiple Myeloma – molecular biology, cytogenetics and current treatment strategies	Roman Hajek
10:30-11:00	Tutored clinical case & question time	Roman Hajek
11:00-11:20	<i>Coffee break</i>	
11:20-12:20	Third self-evaluation session and discussion	Robin Foa & Roman Hajek
12:20-13:05	DLBCL – gene expression profile and rarer subtypes of the disease	Jan Walewski, Warsaw

13:05-14:00	<i>Lunch</i>	
14:00-14:45	Tutored clinical case & question time	Jan Walewski
14:45 – 15:30	Chronic lymphocytic leukemia – biology, newer prognostic factors and therapeutic strategies	Piotr Smolewski, Lodz
15:30 – 16:00	Tutored clinical case & question time	Piotr Smolewski
16:00 – 16.45	4th self-evaluation session and discussion	Tadeusz Robak & Jan Walewski
16:45 – 17:00	Statistical evaluation	

END OF THE MEETING
